

# Most Valuable Player Game

## Set up

Total Duration = 20 minutes

- Total Grid Size = Coach's Choice
- Number of Players = 12 - 16 players split into two teams
- Number of Soccer Balls = 1 ball
- Number of Goals = 2 big goals

## Organization

- This activity works on Team Work and Social Skills. Players must work to identify who is the player that will get them double points.
- Played as a match, the BLUE team is playing against the RED team.
- The Coach will pick one player from each team to be the "Team Golden Boot" and wear a different color pinnie. If that player scores, that goal is worth double points.

## Challenges

- ⇒ Coaches, be careful who you pick
  - ⇒ Low / High Confidence
  - ⇒ Low / High Ability

## Progressions

- ⇒ Add in a "Team MVP Passer". If that player passes to someone on their team who scores, then that goal is worth double.
- ⇒ If the MVP Passer gets the ball to the Golden Boot
