

Trialist Form

Trialist – Defined as a player currently registered in a youth or masters league that can participate in the Men's League, provided they have a valid players card from the league in which they are currently registered.

Player Name:			
Registered Team:		League:	
Coach/Manager (print):		Coach/Manager (sign):	

1. A trialist player may not be registered in another ASA sanctioned men's league (eg. EDSA)
2. A trialist may only participate in regular season games.
3. A trialist must present a valid player identification card (physical or electronic) to the referee prior to the start of the game. If the trialisting player's league does not use player identification cards, government issued photo identification (i.e. drivers license, passport etc.) will suffice.
